

## **GLOBAL PEACE DEVELOPMENT** **VACANCY ANNOUNCEMENT**

Global Peace Development (GPD) is a Non-Governmental Organization (NGO) founded in April 2002 and focuses on promoting peace for development in Nigeria. The organization envisions a country where peace and development is enjoyed by all. GPD seeks to build peace, gender equality, social justice, and foster democracy and governance at the community, local, state, and national levels. Our core Programme areas include; Gender Equality, Conflict Prevention and Peace Building, Democracy and Governance, Environment and Community Health, and Sustainable Development.

Global Peace Development works actively in eleven (11) States across Nigeria (namely, Adamawa, Kano, Taraba, Yobe, Nasarawa, Kaduna, Ebonyi, Enugu, Cross River, Delta, Edo and FCT).

The organization is inviting applications from qualified candidates to fill the position of:

**JOB TITLE AND LOCATION: Environment and Community Health Officer, Damaturu, Yobe State.**

### **Job Summary:**

The Environment and Community Health Officer will play a key role in developing and implementing health and environmental initiatives to improve the well-being of communities in Yobe State. The officer will collaborate with stakeholders to identify community health needs, support program designs, and implement activities promoting a cleaner, healthier environment.

### **Key Responsibilities:**

- Work closely with the Director of Programs on developing community health and environmental project proposals and initiatives.
- Support the development of project-specific work plans, result frameworks, and sustainability plans.
- Conduct community assessments and create context-specific reports on environmental and health conditions.
- Collaborate with M&E staff to design project indicators and data collection tools.
- Engage community members and stakeholders to foster awareness of community health and environmental sustainability.
- Facilitate workshops and build capacity for communities on environmental health best practices.
- Provide technical support for integrating community health and environmental initiatives within existing programs.

### **Required Qualifications and Experience:**

- **Education:** Bachelor's degree in Public Health, Environmental Science, Community Health, or related field.
- Minimum of 3 years experience in community health, environmental sustainability, or related field, preferably with an NGO.
- Strong project management, monitoring, and evaluation skills.
- Proven experience working with local communities and government stakeholders.
- Excellent communication, interpersonal, and facilitation skills.
- Commitment to promoting sustainable community health and environmental practices.

**Core Competencies:**

- Accountability and responsiveness
- Creative problem-solving capability
- Effective communication skills
- Collaboration and inclusivity
- Awareness and sensitivity to health and environmental issues

**How to Apply**

**Qualified candidates should submit the following materials by e-mail to**

[Info@globalpeacedev.org](mailto:Info@globalpeacedev.org)

- Cover letter not more than one page
